

ABDULLAH BIN ZUBAIR

DATA SCIENCE STUDENT

Lahore,Pakistan | abdullah2023037@gmail.com | www.abdullahbinzubair.live | +92 303-4923974

SUMMARY

I am a passionate and detail-oriented Data Science student at GIKI, with a strong foundation in analytical thinking and problem-solving. Alongside my academic pursuits, I have developed versatile skills in Data Science ,Data Analysis and web development using advanced tools and languages. My blend of technical and creative abilities enables me to approach challenges with both logic and innovation, making me well-suited for roles that require data-driven insights, digital design, or web solutions.

PROFESSIONAL EXPERIENCE

Full Stack Web Developer

April 2023 - Present

- Designed, developed, and maintained scalable web applications using modern front-end and back-end technologies.
- Built responsive user interfaces with modern frameworks like React.js,Express.js,Node.js.
- Developed RESTful APIs and server-side logic, ensuring high performance and security.
- Integrated databases, handled data modeling, and optimized queries.
- Collaborated with cross-functional teams to deliver features on time and improve user experience.

Event Coordinator

Jun 2025 - Present
